AOP VENTOUX

Cascavel, wines of character that reveal all the complexity of their terroir.

ORGANIC WINE

LE CASCABEL RED 2013

CARIGNAN 50% - SYRAH 30% - GRENACHE 20%

This wine is made from ripe grapes harvested manually at the beginning of October 2013. The vineyard is located in Caromb, in an area of clay and limestone soil. The grapes were crushed and destalked prior to going into the tank. They underwent a cold pre-fermentation maceration (15°C) during 5 days. Maceration time totalled 3 weeks. The wine features a purple red color. The nose offers up expressive aromas of fresh black fruits (cherry and blackcurrant) and soft spices with mineral notes (liquorice). The mouth is fruity and mineral, with a light tannic structure and aromatic persistency (cherry, liquorice). A beautiful, elegant and fruity « terroir » wine.

Alcohol: 13 %.

Bottling : June 2014.

ORGANIC WINE

LE CASCABEL ROSÉ 2013

GRENACHE 90% - CARIGNAN 10%

A very pale pink color and a nose packed with fresh red fruits and exotic fruits flavors (lychee and mango) for this wine, whose palate confirms the aromas revealed by the nose. Fruit forward with a good aromatic persistency, this wine will be a delight by itself or will accompany perfectly hams, fish and summer barbecues.

Serve cold (8°).

Alcohol: 13%

Bottling: February 2014.
